Well, we're finally Seniors and although we've only known each other about a year, we've had some great times together. Best of luck to a great girl - Renee (Doupey) Bacon

FEDERAL PACIFIC ELECTRIC COMPANY

Well Dearest, here we are at graduation time. I do hope will be room-mates at Boulder. Your mother better let you go.

Please Robin! I beg of you — settle down. Decide which boy you like the best! — Oh well, have fun anyway.

I'm truly glad I got to know you. When you first came I knew we were going to be friends because we're so much alike — crazy!
Really, I hope the best for you and you for the best.

Pat

We finally made it!! Soon we'll all go our separate ways. Robin, over the years that we've known each other I find that you are a very nice and have a very sweet disposition. I wish the best in everything you do.

Best Wishes,
Connie

*It's really
been fun this year.
Too bad you couldn't have
been here the other four years.
We've had fun in P. Math, English, Psychology
and especially the 1/2 year of Chemistry.
Best of luck always,
A friend forever,
Steve Mackey*

Man, this has been some swell year. This is it - our last annual. The short time I've known you has really been fun. Remember all the good times in the Music Makers + Atlanta. Well, I won't tell everything I know, but Wow!! Good luck in the future. We'll have to get together after school. This isn't good-bye because how could I ever forget you.
